

Parent and Guardian Agreement Form

I have given permission for my student athlete to participate in Girls Global Academy Athletics for the 2020-2021 school year. We have discussed the risks, commitments, and sacrifices involved and are committed to contributing to the success of the program. I understand and accept the financial and time obligations of participating, with the following in mind:

- 1) Team selections are made by a group of experienced coaches. I trust their collective judgment and will support my child and the team.
- 2) I understand that if my student athletes experience any issues with their team or teammates, they are first personally responsible to discuss the issue with their coach. If the issue is not then resolved, I may request a conference with the coaching staff. The coaching staff may request the AD/Principals presence.
- 3) I understand that I will withhold any negative comments directed towards players and coaches. If I have any concerns I will speak directly with the coaching staff. I understand the responsibility of my student athlete's coach is to coach the players and team as a whole and I WILL NOT interfere with this in any manner.
- 4) If I need to speak with the coaching staff in regards to a practice or game event, I will wait 24 hours before doing so following the practice or game; however, I understand the coaching staff will not discuss my athlete's playing time or any athlete's position on the team.
- 5) I will not speak to a coach directly about my student athlete's playing time; I understand that it is ultimately a coach's decision and that no player is guaranteed a set amount of playing time. I understand that it is my student athlete's responsibility to speak to her coach regarding this matter.
- 6) We will participate in community events as asked of us if possible.
- 7) I realize that we are role models and will conduct ourselves accordingly at all times, with appropriate sportsmanship.
- 8) I may be asked to refrain from attending games if our conduct is inappropriate.
- 9) I will see that our student athlete is at practices and team functions on time.
- 10) I will support and cheer on all GGA athletes and support our team in any way possible.
- 11) I understand that any player using illegal drugs, tobacco or alcohol will be immediately expelled from the club and all remaining monies will become due and payable. Additionally, we

understand that if our athlete is caught participating in any event that may compromise her reputation or the reputation of the team, she may be released immediately or face penalty at the discretion of the coaching staff/AD/Principal.

12) I may ask for clarification or detailed communication from my coaches or AD/Principal if I believe I am not receiving adequate information

13) Follow any club or region policies listed below without exception.
