Student-Athlete Code of Conduct Agreement

My primary goal is to become the very best player I can be. Only I am responsible for my own actions. I am fully committed to Girls Global Academy Athletics and therefore will:

- 1) Conduct myself in a manner to bring credit and prestige to myself, to my team, and to GGA.
- 2) Budget my time to meet all the responsibilities of work, school, and other personal areas because I understand that I have signed and committed to participate in GGA practices, tournaments, and events that take precedent.
- 3) Attend every possible practice, tournament, and team function. If I am unable to attend, I will personally notify my coach ahead of time per Tournament & Practice Policies listed below. I understand that by not attending all practices, tournaments, or team functions I may face penalty at the coach's discretion such as loss of playing time.
- 4) Be ready for practice on time (15 minutes early).
- 5) Pursue mental and physical conditioning outside of practice and maintain my training schedule.
- 6) Communicate – both on and off the court – with my teammates and coaches for mutual understanding. I will personally communicate with my coach if I have any questions regarding my team, position, or playing time. I will not ask my parent(s) to interfere.

7) Discipline my body, including getting adequate sleep, maintaining a healthy diet, and ABSTAINING from alcohol, tobacco, and illegal drugs. If I am caught using any of the aforementioned substances, I may be dismissed from the program with all of any fees due immediately within two weeks of notice of release. Additionally, if I am found in any situation that may compromise my reputation or reflect negatively on GGA I may face consequences at the discretion of the coaching staff/AD/Principal which can include suspension or dismissal with any fees due within two weeks of notice of release.

8) Recognize the unique aspects of athletics yet learn from my mistakes and never make excuses or lay blame.

9) Accept all coaching comments and assignments only as ways in which the team and I might improve. I understand that my attitude is also an important part of the game and that I will work hard to have the best attitude I can. I will accept positions on my team that I may not usually play because I understand that this is for the good of the team.

10) Support the full effort and good skills that my teammates exhibit.

11) Perform with full effort and intensity to the best of my ability in all practices and tournaments.

12) Concentrate, never causing distractions.

13) Clean our tournament areas and practice facilities of all trash. Leave the area as I found it, if not better.

14) Realize that a team is made up of individuals and everyone cannot start. Accept my role on the team and what it takes to be the best.

15) Understand that I represent GGA at all attended events and I must conduct myself in a respectful manner.
