The U.S. Department of Agriculture's school meal programs aim to provide all participating children, regardless of background, with the nutritious meals and snacks they need to be healthy. Consistent with federal law and program regulation, this includes ensuring children with disabilities have an equal opportunity to participate in and benefit from the programs, which are the National School Lunch Program (NSLP), the School Breakfast Program (SBP), the Fresh Fruit and Vegetable Program (FFVP), the Special Milk Program (SMP), and the afterschool snack component of the NSLP.

**GGA is a Community Eligibility Provision (CEP) School and will participate in the following Child Nutrition Program (CNP): National School Lunch Program, School Breakfast Program, and Seamless Summer Program. Breakfast and lunch are offered free to all students.*

*** In accordance with the Healthy Schools Act, GGA does not allow fast food (McDonalds, Starbucks, Dunkin Donuts, etc.) or deliveries (Uber eats, Door Dash, Post Mates, etc.) on campus. Student must eat prior to entering the building or toss it in the trash upon entrance.*
