

## Recovery Options

### Assignment & Assessment Recovery

**Support Saturdays** run from 10:00 am-12:00 pm to support students in self-efficacy, skills-development, and overall grade point averages increase. Students are supported in small groups by Girls Global instructors to get caught up on work for which they may have fallen behind.

**Redo and Resubmission of Summative Assessments:** If a student earns a grade of a 3 or below on a summative assessment, the student has the option to redo and resubmit the work after reviewing the concerns about the first submission with the teacher. Students must resubmit the summative assessment on the new date provided by the teacher. All work for a trimester must be resubmitted 5 school days prior to the final day in order to give instructional staff time to review and grade the work. The goal is to keep the higher grade for the assessment.

### Credit Recovery

Girls Global provides two options for recovery of credits: During the School Year & Summer. Two records are included on the School Information System, PowerSchool and one is the of record transcripts that denotes the students completed the work during summer credit recovery.

#### During the School Year Credit Recovery

Girls Global Academy offers during the school year opportunities for students that need to extend their school year. Credit Recovery during the year is on Saturdays for students that need to recover core classes in order to be promoted to the next grade and boost cumulative grade point averages (GPA). Credit Recovery is for students who did not pass core courses that are required for graduation.

#### **Attendance**

For credit recovery during the school year, students may not miss more than two Saturdays. High School classes require seat hours and missing classes means the student has not met the number of seat hours needed to recover the class.

#### **Credit Recovery Eligibility**

- Students who have previously failed a credit-bearing course (final grade of a 2 or below) or receive a final grade of I this school year for courses that are being offered under credit recovery.
- Families of students who are recovering credit receive weekly updates on progress while in credit recovery and are invited to Google classroom to receive weekly summaries.
- For courses that are not offered face-to-face, Girls Global Academy offers an asynchronous option for students with the same weekly updates on progress to families with an invitation to Google classroom to see weekly summaries.

**Transfer Credit for Credit Recovery**

Girls Global Academy accepts credit recovery credits from students in grades 9 - 11 that did not earn a final passing grade. Students may take classes from a credit bearing institution including:

- Girls Global Academy Summer School
- District of Columbia Public School Summer School
- An accredited school that offers summer school

All Girls Global Academy students must enroll in an equivalent course from the Girls Global Academy course catalog and meet the graduation requirement. All students must receive prior approval from the Principal prior to enrolling in a course outside of Girls Global Academy Summer School. After a credit recovery course approval, students are responsible for enrolling in approved courses at approved institutions.

To earn credit recovery credits, a student must meet all of the requirements in a credit recovery course and earn a score of a 3 on the IB grading scale or a numeric equivalent of 60% or better.

All credit recovery grades will be reviewed for each individual by the administrative team and credit recovery courses that do not meet the requirements will not be accepted.
